About OMED

1-Stop Shop

OMED Medical is one of the leading and professional providers in disposable medical consumables in China.

Firmly committed to our principle " ONE STOP SHOPPING CENTER FOR MEDICAL CONSUMABLES,CUSTOMER FIRST" ,we are dedicated to provide premium products and service to customers.

50-Regions

OMED Medical has established stable business relation with over 50 countries and regions around the world.

OEM&ODM

OMED has experience & capability to provide a full set of custom solutions from the design,molding,testing production to packaging.We are happy to help our clients turn their ideas into the real and successful products.

Centrifuge Tube

The centrifuge tube is made of imported medical grade polypropylene. Chemical corrosion and low temperature resistance, which is widely used in molecular biology, clinical chemistry, biochemistry research.

Features

- Adapted to wide range of temperature from -80°C to 121°C, no distortion.
- High-Quality material, the tube wall is clear, easy to observe.
- The clear tubes have white printed graduations and a large writing area.
- Available in sterile by E.O radiation
- DNase & RNase free, Non-Pyrogenic

Capacity:0.5ml

Freezing Tube

- Manufactured from medical grade PP material.
- Temperature range: -196°C to 121°C .
- DNase-free, RNase-free, Non-pyrogenic.
- Multi-color can be customized.
- There is a silicone sealing ring in the tube with good sealing performance, which can prevent evaporation and leakage during transportation.
- Screw cap, easy to open and close.

Model	Material	Bottom	Capacity
KYH01	PP	Flat	10ml
KYH02	PP	Flat	5ml
KYH03	PP	Flat	4ml
KYH04	PP	Flat	1.8ml
KYH05	PP	Conical	1.5ml

Vacuum Tube

Features

- **Safety Cap**-Synthetic butyl rubber stopper,suits for automatic analyzer puncture sampling.
- **Quality Plastic Tube**-PET/Glass material, PET tube inner wall using silicification treatment, smooth surface to avoid cell wall.
- **High Grade Additive**-Various additive,accurate vacuum preset,to ensure accurate ratio of blood sample and additives
- **Customized Label**- OEM&ODM are available!

Swab

- Various swab meets multi body parts sampling.
- Available in kinds of material.

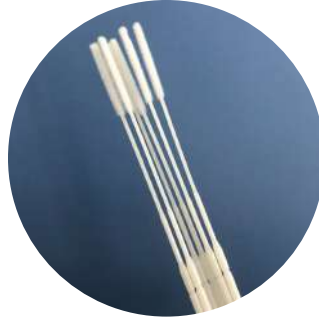

- 3cm breakpoint
Flocked Nylon

- 8cm breakpoint
Plastic Handle

- Nasal Swab-KYS01
- Flocked Nylon+ABS
- 8cm Breakpoint
- Bulk & Individual

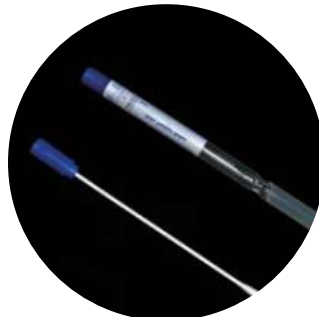

- Oral Swab-KYS02
- Flocked Nylon+ABS
- 3cm Breakpoint
- Bulk & Individual

- Cotton Swab-KYS03
- Cotton+Wooden
- Bulk Pack

- Transport Swab-KYS04
- PP/Wood Stick
- Bulk & Individual

- Male Swab-KYS05
- PP/Stainless steel stick
- Bulk & Individual

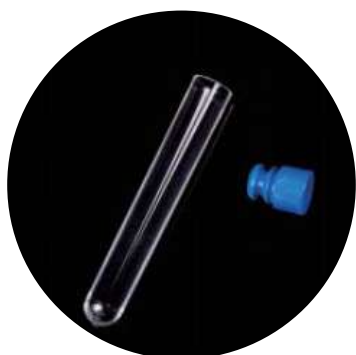

- Female Swab-KYS06
- PS/Stainless steel stick
- Bulk & Individual

Test Tube

1

Model:KYI01
Material:PP/PS
Size:12*75mm

2

Model:KYI02
Material:PP/PS
Size:13*75mm

Features

- Composed of high-quality PS & PP material.
- Injection molded with high-precision molds.
- Flat, smooth and transparent, have good chemical compatibility.
- Label custom is available!
